[Yoana Churkina LinkedIn](#)

UX/UI Designer with experience across the full design process - from user research and wireframing to prototyping, usability testing, and design systems. Experienced designer for mobile and desktop in B2B SaaS environments with strong Figma skills and a track record of collaborating with cross-functional teams to deliver user-centered, platform-optimized experiences.

Intern USER EXPERIENCE DESIGNER

MediaCampusNL

Sept 2024 – July 2025

- Led end-to-end UX design of MIA, a platform for early-stage media startups, owning the full process from discovery and user research through prototyping and usability testing
- Defined design solutions for complex challenges around AI transparency, trust, and privacy - translating ambiguous requirements into clear, user-centered experiences for non-technical users

USER EXPERIENCE DESIGNER

Simpltel

Feb 2024 – July 2024

- Owned the UX/UI design of a visual development tool for a B2B SaaS platform across mobile and desktop, enabling non-technical users to customize authentication flows, reducing reliance on developer support
- Conducted user research and usability testing, creating wireframes, prototypes, and responsive design systems in Figma following WCAG accessibility standards
- Collaborated with developers and stakeholders to deliver user-centered solutions within technical constraints

Vice President

Proxy Student Association

Oct 2022 - Nov 2023

Led and managed three departments, overseeing operations and organizing key student events such as Intro weeks for freshmen students.

Intern USER EXPERIENCE DESIGNER

Bosch Security & Systems

Aug 2022 – Jan 2023

- Designed an intuitive video switching interface for the 'Future of Conference' project, replacing manual JSON configuration with a tool built for non-technical users
- conference operations
- Developed front-end components using React, HTML, and CSS to prototype and validate design solutions directly in code
- Delivered a solution now deployed by municipalities and governments worldwide to streamline

Utrecht University of Applied Sciences
